

18<sup>th</sup> December 2018

Dear Parents and Carers

## Introduction to Riverstone High School Day

The transition from Primary School to High School is a significant step in the educational and emotional development of a young person. Research has shown that students who feel supported and welcome in their High School usually adapt well to new challenges and achieve commendable results.

As part of our Year 6 into Year 7 transition program Riverstone High School will be holding a Year 6 Taster Day, on **Tuesday 5 February 2019**. Mrs Calder, Miss Allbon and Ms Baffo will accompany Year 6 students from Riverstone Public School, **leaving at 9.00am and returning at approximately 2.30pm**.

Following a brief welcome, students will be placed into groups and guided around the school as they experience aspects of secondary school life. The group will be rotated through a number of activities which include art, sport, agriculture, music, TAS, mathematics and technology.

There will be students from other schools attending. This is an opportunity for our students to meet other students who will be attending Riverstone High School in 2020.

A healthy recess and lunch will be provided on the day compliments of Riverstone High School and their canteen.

To participate effectively in the day students will be required to wear their school uniform and to bring: a pen, appropriate footwear (no canvas shoes allowed, leather school shoes or joggers only), a drink and a school hat.

Kind Regards

Mrs Christine Calder  
Deputy Principal
