Meeting ID: 696 9268 7873

Passcode: 519696

What are we learning about?

Today's lesson will be consolidating our learning on syllables. A syllable is when we break a word into parts. For example computer....com/pu/ter. This has 3 syllables

AFTER ZOOM TASK

Sort the Syllables:

1. On separate blank paper write the number 1, 2 and 3
2. Find 10 small items around the house for example, pencil, sock, lego, tissue, playdough.
3. Clap the syllable in the word and place the item on the paper according to how many syllables the word has.

Optional: Find 2 objects that have 4 syllables (alternatively you can draw the objects on a separate paper).

NUMERACY ACTIVITY

Warm up:

Count along with this song - [Count to 20 - Jack Hartmann](#)

Count how many steps it takes to get from your bedroom to the kitchen.

Number of the day:

Play this video for the number of the day -
[Sesame Street - Number 5](#)

Choose 1 or more of the activities below to learn the number of the day:

1. Collect 5 objects, count them and ask someone to check them.
2. Stand as tall as a rocket and count down from 5 to 0.
3. Draw 5 shapes or objects.
4. Practise writing the number in flour, sand, with water and a paintbrush on the concrete or make it with playdough.

PERSONAL DEVELOPMENT AND HEALTH (PDH) ACTIVITY

Watch the video: [Sesame Street - Name that emotion](#)

Activity:

1. Fold your paper in half.
2. On one half draw a picture of how you can show someone kindness at home.
3. On the other half draw a picture of how you can show someone kindness at school.
