

LEARNING FROM HOME - SUPPORT UNIT

WEDNESDAY 9TH MARCH

LITERACY ACTIVITY

OUR FAMILY - DRAWING AND WRITING

Choose one option:

a) Draw a picture of your family doing something that you enjoy.

·Can you write your name and the names of family members?

·Have a go at labelling your picture

·If you can, write a sentence about what you are doing.

or

b) Write an informative text about your family. You could include:

·Information about the different members of your family (their names, ages, etc.)

·The hobbies or interests of different members

·What activities you like to do as a family.

NUMERACY ACTIVITY

ZOOM

We look forward to seeing you on today's ZOOM session at:

Time: **9.30am**

Meeting ID: 672 8886 2361

Passcode: 612601

After our Zoom, choose a number that you know how to count to, for example, *I can count to 10 so I might choose the number 7, or I can count to 1000, so I might choose the number 694.*

Answer as many of the following questions as you can:

-What is the number before?

-What is the number after?

-Is it odd or even?

-How can this number be written in words?

-How can you represent this number? Can you use a tens frame, or draw it using tens and ones?

-What is 10 more?

-What is 10 less?

PERSONAL DEVELOPMENT ACTIVITY

BEING A GOOD FRIEND

Watch the video by clicking here: [Being a Good Friend](#)

- Talk with someone at home about what you can do to be a good friend.
- Draw a picture of what you can do to be a good friend.

HELPING AT HOME ACTIVITY

Help someone at home by tidying up a room. It could be your bedroom or perhaps the room you play in.
