

# LEARNING FROM HOME - PRESCHOOL

## WEDNESDAY 9TH MARCH

### NUMERACY ACTIVITY

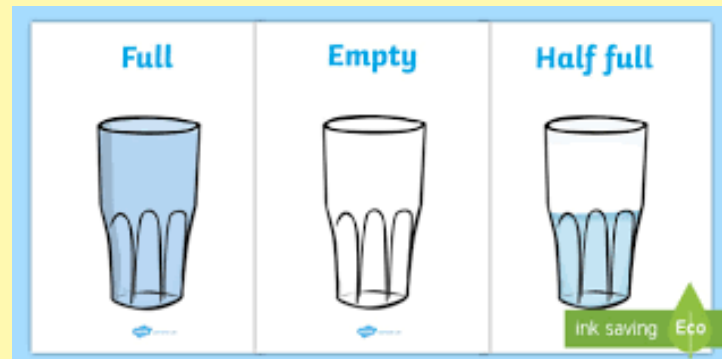

We look forward to seeing you on today's ZOOM session at:

**Time:** 11am - 11:25am

**ZOOM Link**

**Meeting ID: 650 5182 8658 Passcode: 205249**

**We are exploring mathematical understandings and language associated with capacity and volume.**

After ZOOM Task:

Choose one or all options:

- View 'Find out which one holds more with Lilly' 4min
- Talk to someone at home about one thing you have learnt from watching the zoom or video about capacity.
- Conduct a rain water collection experiment with various sized and shaped containers. You may like to upload a photo to your Seesaw journal.

### LITERACY ACTIVITY

Warm Up:

Watch and sing and move along to Robot brain break

**We are learning to listen to short stories and respond through drawings.**

Task 1: Listen to the story Titch

Task 2:

Draw a picture of your family.

You might like to upload a photo of the drawing to your Seesaw journal.

Optional - View the guide on how to draw a person

### CROSS CURRICULAR ACTIVITY

Lets make our lunch!

**We are learning about the world of meal times and fabulous foods with humour, wonder and imagination.**

**Task 1** - View ABC Through the looking window - let's eat lunch (3 min)

**Optional Task 2** - Help make a favourite or imaginative lunch at home. You may like to upload a photo to your Seesaw.
