<div style="display: flex; align-items: center; justify-content: center;">  <p>#RPSUNPLUGGED is new to our LFH grid, and it is scheduled for 1-2pm today. During this time, we are asking all staff, students and if possible, our community to disconnect from all screens. We are hoping that this hour will help us all to recharge, move a little more and feel good.</p> </div>		
Afternoon	 <p>TASK 1 - Science and Technology The students will identify the different materials used to construct a bike and suggest reasons as to why certain materials are used for certain parts. They will view practical investigations into the strength of steel and aluminium before turning their attention to the materials used in bike helmets. The lesson culminates in a dramatic demonstration of the effectiveness of a bike helmet in a crash situation.</p>	<p>Optional - Health Draw your dinner plate from last night. Include labels. Now design your ultimate (healthy) dinner plate.</p>
